By car:

Follow directions to Knaresborough on A59, then follow directions to Mother Shipton's Cave. If coming from Harrogate, take the first left after the bridge. If coming through Knaresborough town centre, go down the hill on the A59 and take the last turning before the bridge (first right after Worlds End pub). For anyone dropping records off, there are limited 20-minute visitor spaces situated around the Hall. There is also a larger car park immediately to your left as you turn off the A59.

By train:

Conyngam Hall is a 9-minute walk (0.4 miles) from Knaresborough Railway Station via Water Bag Bank and then right along Waterside. At the end of Waterside, cross the A59 and the entrance to Conyngam Hall is across the road, to your left.
